

**Your vehicle is a hot bed  
for odor-causing microbes.  
Protect it with our industry-  
leading interior stain and odor  
protection system.**

- ▶ Environmentally friendly and **Hypergreen**
- ▶ Easy to apply and makes future clean-up easier
- ▶ Ideal and approved for both hard and soft surfaces
- ▶ Resistant to odor-causing microbes
- ▶ Aviation grade
- ▶ Industry's highest safety rating
- ▶ VOC and CFC free
- ▶ Remains active on treated surfaces 24/7
- ▶ Covalently bonds to create a biostatic surface that controls odor-causing microbes and protects against permanent stains

### THE FINEST NAME IN VEHICLE INTERIOR PROTECTION

- ▶ Ultimate warranty coverage
- ▶ Assists in maintaining your vehicle's resale value
- ▶ Keeps your vehicle feeling "showroom new"
- ▶ All warranties completely transferable

## **XMICROBE** All-in-One Interior Stain and Odor Protection System

THE NEW STANDARD FOR  
INTERIOR PROTECTION

[XZILON.COM](http://XZILON.COM)

## APPLICATION AREAS

### INTERIOR

### AC VENTS

### TRUNK

## INDUSTRY LEADING TECHNOLOGY

Covalently bonds to applied surfaces to create a  *durable biostatic layer*  that protects against:

- ▶ Odor-causing microbes
- ▶ Permanent stains

XMICROBE  
TECHNOLOGY

## LONG TERM PROTECTION

Warrantied protection from:

- ▶ Food stains
- ▶ Beverage stains
- ▶ Ink and dye transfer
- ▶ UV fading
- ▶ Stains due to blood, urine, and other bodily fluids
- ▶ Pet odors and other organic odors from odor-causing microbes

## FREQUENTLY ASKED QUESTIONS

**Where does Xmicrobe technology come from?**

Xzilon's Xmicrobe All-in-One Interior Protection System comes from a Dow Corning Technology used and developed for the aerospace industry.

**Is Xmicrobe safe?**

It is essentially a modified sand molecule with a silane bonding agent, which is as harmless to the environment as sand. It carries the industry's highest safety rating.

**How long does Xmicrobe last?**

Xzilon's Xmicrobe All-in-One Interior Protection System is a **Hypergreen** solution that covalently bonds with the surface to which it's applied, ensuring virtually permanent protection for what matters most.

**Where is Xmicrobe used?**

Xmicrobe is in use across many different industries, from transportation and aviation to athletics to healthcare and hospitality and many more!
